

1,101 M2 RESIDENTIAL LOT IN TAMARINDO

<https://rpmrealestatecr.com>

Large flat Lot in the Norma Development in a residential area of Tamarindo, walking distance to the beach. 1,100 m2 or 0.27 Acre or 11,851 sqft. Development secured with surrounding wall, gated access and paved internal roads, this development had a recent great success and the all community is building on a low density complex with lots around 1,000 m2 each. You will enjoy the tranquility of this development, its security (the brand new Police station is 300 yards from the lot), its access to the nature close by and the proximity to all Tamarindo activities and amenities.
