

AMANPURI #3 LUXURY CONDO IN LANGOSTA

<https://rpmrealestatecr.com>

Welcome to Amanpuri #3! Amanpuri means “a place of peace” which suites this building perfectly! This well-crafted 2 bedroom 2 bath condo boasts high end quality construction with handcrafted hardwood cabinetry, Pella sliding doors, tile floors, and exceptional attention to detail! Offering a state of the art chef’s kitchen that opens to the living room, then straight to a spacious terrace. This “place of peace” is unique in that there are only 5 units in the entire building. The exclusivity of having only 5 units is not only peaceful, but very private and secure with 24-hour security in place. It features a shared roof top terrace, which is a perfect place to enjoy the sun, take in spectacular views of the Pacific Ocean, and to grill with friends and family with the deluxe BBQ already in place. On the ground level, there is an inviting private pool to cool down and relax. A very well-known Costa Rican interior designer had custom made all the furniture, drapes, bedspreads, and pillows which makes this property not only exceptional, but one of a kind! Only footsteps to the white sand beach of Playa Langosta, which is an excellent beach to watch breathtaking sunsets, explore and bathe in tide pools and enjoy excellent surf. Ideally located in the quiet residential bedroom community of Playa Langosta, but yet a short mile to all the restaurants, services and nightlife that Playa Tamarindo have to offer.
