Tamarindo Park is a stunning tropical modern residential developement set within a vast, protected and natural setting. It is nestled alongside more than 2 miles of Costa Rica´s Baulas Marine National Park, featuring mangroves and the neighboring San Francisco Estuary. At the core of our concept is a small, wellness-lifestyle community that integrates environmental preservation and freesom of personal choices, all within a walkable beachside surf community. The tropical modern Casa Bromelia was optimized for exotic vegetation. Each of its 3 bedrooms and bathrooms features high-end materials and porcelain floors. One of its bedrooms has a compact interior garden that works as a yoga deck or lounging space. The other two rooms have respective balconies, and one offers a glimpse of Langosta beach. Lush foliage provides privacy to the fully furnished home by Nalakalu. For more information or to arrange a showing, please contact info@RPMRealEstateCR.com
