

CASA CRUCERO VERDE
<https://rpmrealestatecr.com>

75V5+3G,
Guanacaste
Province,
Tamarindo, Costa
Rica

\$1,100,000

This new Villa of 420m2 has 4 bedrooms with ensuite bathrooms and outdoor shower all opening onto terraces and a tropical garden. It is fenced and surrounded by plants to give the house more privacy.

The main ground floor has one bedroom with an outdoor bathroom and bathtub, a large kitchen, a living room, a pool table ready to enjoy facing the large, covered terrace with its infinity pool (8m x 4m and 1,60 m deep progressively).

The lower floor of this luxury villa is accessible going down the stairs, it has one bedroom with a queen bed and outdoor bathroom. The second floor has 2 bedrooms with each one an outside bathroom and the stairs to access the rooftop terrace.

This house is located in Tamarindo Park, which is a new Luxury Development Project in Tamarindo surrounded by nature. You are a 7-minute walking distance into town and have easy access to 2 different beaches.

Casa Crusero Verde is a unique home to own, tastefully decorated, and built by a French architect, this luxury villa is for you.

Secure and great value, this villa offers a complete change of scenery, tropical, luxurious, next to all amenities, and close to all Tamarindo has to offer in a growing gated community 500m walk to the beach.

Turn key! Management is already in place. Perfect for an income producer when you are not home, the rest of the time it's your dream tropical home.
