

# CASA PITAHAYA LOT 54

<https://rpmrealestatecr.com>

[slideshow post\_id=12758] Tamarindo Park is a stunning tropical modern residential development set within a vast, protected and natural setting. It is nestled alongside more than 2 miles of Costa Rica’s Baulas Marine National Park, featuring mangroves and the neighboring San Francisco Estuary. At the core of our concept is a small, wellness-lifestyle community that integrates environmental preservation and freedom of personal choices, all within a walkable beachside surf community. Casa Pitahaya is a stunning two-story home with pedestrian access to a communal green space shared by nearby residents. This cleverly designed residence boasts four master bedrooms with their own bathroom. Multiple covered terraces provide airy outdoor spaces for every guest in the house. The open kitchen and living room design is enhanced with a pochote hardwood vaulted ceiling. The backyard’s private pool overlooks the exotic vegetation.
