<https://rpmrealestatecr.com>

Tamarindo Park is a stunning tropical modern residential development set within a vast, protected and natural setting. It is nestled alongside more than 2 miles of Costa Rica’s Baulas Marine National Park, featuring mangroves and the neighboring San Francisco Estuary. At the core of our concept is a small, wellness-lifestyle community that integrates environmental preservation and freedom of personal choices, all within a walkable beachside surf community. The breathtaking Casa Roble features year round ocean views. This spacious 6 bedroom residence boasts complete privacy and is surrounded by lush foliage. Its open design integrates the kitchen, living, and dining room into a space framed by floor to ceiling windows that provide plenty of natural light. Its vast terrace invites friends and family to connect with nature. For more information or to arrange a showing, please contact info@RPMRealEstateCR.com
