Beautiful Costa Rican style home in Santa Rosa, minutes from Tamarindo's world-famous beaches and vibrant lifestyle. Set on a spacious 498.16 m² lot, this residence features spacious outdoor areas perfect for entertaining. Step inside to a bright kitchen area with breakfast bar, complemented by a dining area and living room that opens to an outdoor patio surrounded by a lush tropical garden. The living room also features a half bath which is very convenient when you have company. The home features three bedrooms along with a large and spacious bathroom, providing an ideal setup for families or couples. The backyard has several mature fruit trees along with ample space to build a pool, sun deck or even a separate apartment or granny flat. Covered car port with space for 2 vehicles. The property is completely enclosed with a natural, live fenceline allowing for extra privacy. Towards the back of the house, you will find a full-sized laundry room with ample storage space. Perfectly positioned just 5 minutes from schools and the town center, the property offers both tranquility and convenience. Located just 1 hour from the Liberia airport. This property is ideal for enjoying the best of Costa Rican living with plenty of room for expansion. Don't miss the opportunity to turn this lovely home into your own full-time residence, just 10 minutes from Tamarindo!
