

# LARGE RESIDENTIAL LOT TAMARINDO-LOS JOBOS READY TO BUILD

<https://rpmrealestatecr.com>

\$258,000

In a residential area at the exit of Tamarindo, up on a hill with an ocean view. jungle feeling and nature are the specificities of this lot. This is not a "walking distance to the beach" property, but it would take you 35 min to get to Tamarindo Beach walking, 4 min with a car or a golf cart 10 min biking. You will enjoy the tranquility of this property, the development of this neighbourhood (the house next door has just been purchased brand new), its access to the nature and the proximity to all Tamarindo activities and amenities.
