Langosta Building Lot - 2 min walk to the beachA rare opportunity to buy one of the last building lots available in Langosta. Langosta is a quiet residential neighborhood with a few upscale restaurants, a surf bar, a couple of shops, and one of the nicest beaches from where you can watch spectacular sunsets each evening. Tamarindo town is just a 6 minute drive away, where you will find shops, supermarkets restaurants & bars.The lot is just a 2 minute walk from the white sands of Langosta beach. It is flat and rectangular, so it is very easy to build your dream home. A 6 bedroom home with pool fits comfortably on this lot.It already has a water letter, so you are just a few weeks away from having your building permits. We can recommend a good architect / builder who can walk you through the process. Langosta lots are in demand, this will not be available for long, so please get in touch.
