

RESIDENTIAL GEM CLOSE TO SEVERAL BEACHES!

<https://rpmrealestatecr.com>

This massive residential property hosts 7,558m2 (1.86 acres) of tropical landscape with various sites for building. Strategically situated at the end of the road and surrounded by other large residential properties for peace, quiet and privacy. Hosting a creek at the far end of the grounds to absorb the abundant wildlife that this dry tropical rain forest offers. Last, but not least located very close to various surrounding beaches to enjoy all of the ocean activities that are encompassed with our warm Costa Rica shores. With public water and electricity in place, this ready to build property is a gem! Do not miss the opportunity, now listing for only \$343,000! For more information or to arrange a showing, please contact Andrew Bey at andrew.bey@icloud.com or info@RPMRealEstateCR.com
