

SENDEROS COLLECTION HOME 12-F

<https://rpmrealestatecr.com>

Award winning designer Richard Muller and team were tasked with creating an estate-like home on the largest and most expansive home site in the Las Crestas development within Senderos. Stunning and spacious courtyard entry yard and driveway with a properly “grand” entry to the home itself. A huge gourmet kitchen and social/entertainment area blends the indoor dining area seamlessly with large outdoor terraces. This home was built to entertain! Step outside and take in the grand terraces and gardens that make up the outdoor areas. The huge outdoor covered living and dining area plus outdoor gourmet kitchen and BBQ areas are adjacent to the infinity pool featuring a 15 Meter/50 foot “Lap Pool” within. This is a large home designed for the discerning client who wants room to spread out and breathe in the tropical air with privacy, lifestyle, and security.
