Tamarindo Park is a stunning tropical modern residential development set within a vast, protected and natural setting. It is nestled alongside more than 2 miles of Costa Rica’s Baulas Marine National Park, featuring mangroves and the neighboring San Francisco Estuary. At the core of our concept is a small, wellness-lifestyle community that integrates environmental preservation and freedom of personal choices, all within a walkable beachside surf community. Impressive home designed with floor to ceiling windows throughout, creating a sense of connection with the surrounding tropical landscape. The open living room space integrates a full-equipped kitchen and comfortable dining area. Outside, the refreshing pool and spacious deck area are perfect for weekend barbecues, relaxing afternoon, or fun evenings. In addition, this beautiful home also has an apartment or casita that may be a private bedroom or separate rental space. This house is for someone looking to enjoy coastal living at its finest.
